

Michigan Association for Counselor Educators and Supervisors and Michigan Association for Group Workers present at Central Michigan University:

Group Supervision: Understanding Process and Content

The focus of this workshop is Group Supervision. The presentations will include guidelines, ethics, theory and practical applications for both the group supervisor and those interested in group supervision. The presenters include experts in the State of Michigan in both supervision and group counseling. The training will provide participants with innovative group supervision foundations and techniques for enhancing the growth of supervisees.

**Where:** Central Michigan University, Education and Health Services Building (Second Floor). For directions and campus map for parking visit the CMU web page at <http://www.cmich.edu/x22.xml> Registration will be on the second floor beginning at 8:30am.

Bagels and beverages available prior to the training beginning at 9:00am. Lunch on your own mid-day with options conveniently located.
